# GENEALOGY AND FAMILY HISTORY RESEARCH CLINICS

## Place:

Cleveland Public Library, Main Library  
Center for Local and Global History • 6th Floor, Louis Stokes Wing  
525 Superior Avenue, N.E.

## What happens during a genealogy/family history clinic?

The Library's Genealogy Clinics are informal sessions during which you can receive help from expert volunteers and Library staff.

**For beginners:** volunteers provide informal instruction in starting your family history/genealogy.

**For more advanced researchers:** volunteers draw on their extensive experience to help you answer your genealogy questions and to help you find strategies to move your research forward.

## Who are the volunteers?

Volunteers are from the African American Genealogical Society of Cleveland.

## Do I have to be there at 10:30 sharp?

Beginners should plan to arrive by 10:45 to take advantage of the group instruction for beginners. All others can arrive at any time between 10:30 a.m. and 1:30 p.m. Clinics end at 2:00 p.m.

## What should I bring?

Pencil, paper, and copies of your research-to-date and an idea of what you want to learn during the session.

## Can I do genealogy research at the Library at other times?

Yes! The Library is here to help you during open hours with your family research. The Genealogy Clinics offer us an opportunity to provide additional assistance and to create a community of researchers whose experiences can benefit each other.
